

### English:

#### Diary writing:

We will then focus on what a diary is and why it is used. The children will identify a range of features then use their knowledge to create their own diary entry.

#### Newspaper Report

Elm will learn what a newspaper report is and why it is used along with understanding its features before creating their own.

### Physical Education:

In PE this term, we will be focusing on expressive movements. Elm will learn how to move in a co-ordinated and controlled manor and work within a group to create a sequence of movements.

### Science:

#### Y1-

#### Y2- Living in habitats

The children will be looking where animals live and why they live there. They will also be looking at things that have never been alive, alive and dead.

### PSHE:

We are focusing on keeping ourselves healthy and learning how to lead a healthy lifestyle.

### Computing:

What is a computer? We will be exploring what a computer is and how it works as well as looking at different types of computers.

### Maths:

In maths, Elm class will be exploring simple addition and subtraction, using +, - and =. The children will begin to add and subtract 2-digit numbers.

We will be focusing on multiplication, looking at 2, 5 and 10's times tables along with using x in a number sentence.

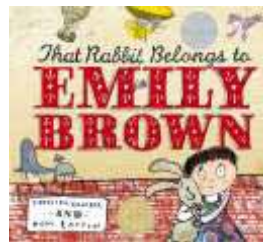

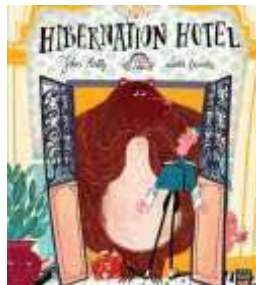

### D&T:

Perfect Pizza! Elm will be looking at what makes a healthy meal and what healthy choices are when deciding what to eat. We will taste a range of bread, fruit/vegetables and finally, creating our own pizza!

## Autumn 2

## Elm Class

### Class Texts:

### History:

Toys! Who doesn't like toys? We will be exploring how toys have changed over time comparing similarities and differences between a range of old and new toys.
