

**Maths** : Year 1: We will look at place value, addition and subtraction. Length and height and mass and volume. Children will learn their place value up to 50.

Year 2: We will look at shape, multiplication and division, length and height and mass, capacity and temperature.

**Computing**: In computing we will be looking at Digital Imagery, Children will learn how to take photos and how to edit and crop them. We will make our own photo collages.

**PHSE**: In PSHE we will be looking at our mental health and wellbeing. We will look at all the things that we can do to stay mentally healthy.

**P.E**: We will be looking at Target Games, this unit focuses on activities and games that require players to send an object towards a target. Children will be learning how to send the ball in different ways towards both stationary and moving targets, including rolling, underarm throwing, overarm throwing and kicking

**English**: This term we will be looking at stories from other cultures and humorous poems. We will look at the story of The Katha Chest by Radhiah Chowdhury & Lavanya Naidu. Children will then write their own stories. We will be looking at the poem 'I started on my homework' by Kenn Nesbitt. We will perform the

poem and then go on to write our own.

# Elm Spring 1

**Topic**: This term in our geography topic will be going around the world.

We will be learning about the 7 continents and focusing on one country from each continent.

Children will learn about famous buildings and people from these countries. Children will become explorers.

## **Science**:

Year 1 - children will be learning about everyday materials and their properties and uses.

Year 2 - children will be learning about materials. We will look at natural and manmade materials and their uses.

## **Art/DT**

Children will be exploring expressive painting. Children explore primary colours and secondary colours through expressive mark making, connecting colour, mark making and texture (of paint) through abstract work.
