Al Ashraf Secondary School

What is Pastoral Care?

“In order to create an outstanding learning environment, it is important for us at AASSG that our pupils feel happy, supported and cared for in order to achieve their best in the classroom”

defining pastoral care

key functions of pastoral care

1 & 2

- to assist the individual to enrich their personal life;
- to help prepare the young person for educational choice;

3 & 4

- to offer guidance and counselling, helping young people to make their own decisions;
- to support the ‘subject’ teaching;

5 & 6

- to assist the individual to develop his or her own life-style and to respect that of others;
- to maintain the orderly atmosphere in which all this is possible.

WHY IS PASTORAL CARE IMPORTANT?

YOU are important to us

We care about you as a person, not just as a student.

It’s important to communicate how you feel so we can help.

Everyone needs someone to turn to
