Many of us
RECYCLE
regularly...

Many forgotten items within our homes can be recycled

Shampoo bottles, Shower Gel, Toothpaste boxes, Cleaner bottles, Hand soap bottles, and toilet roll tubes can all be recycled

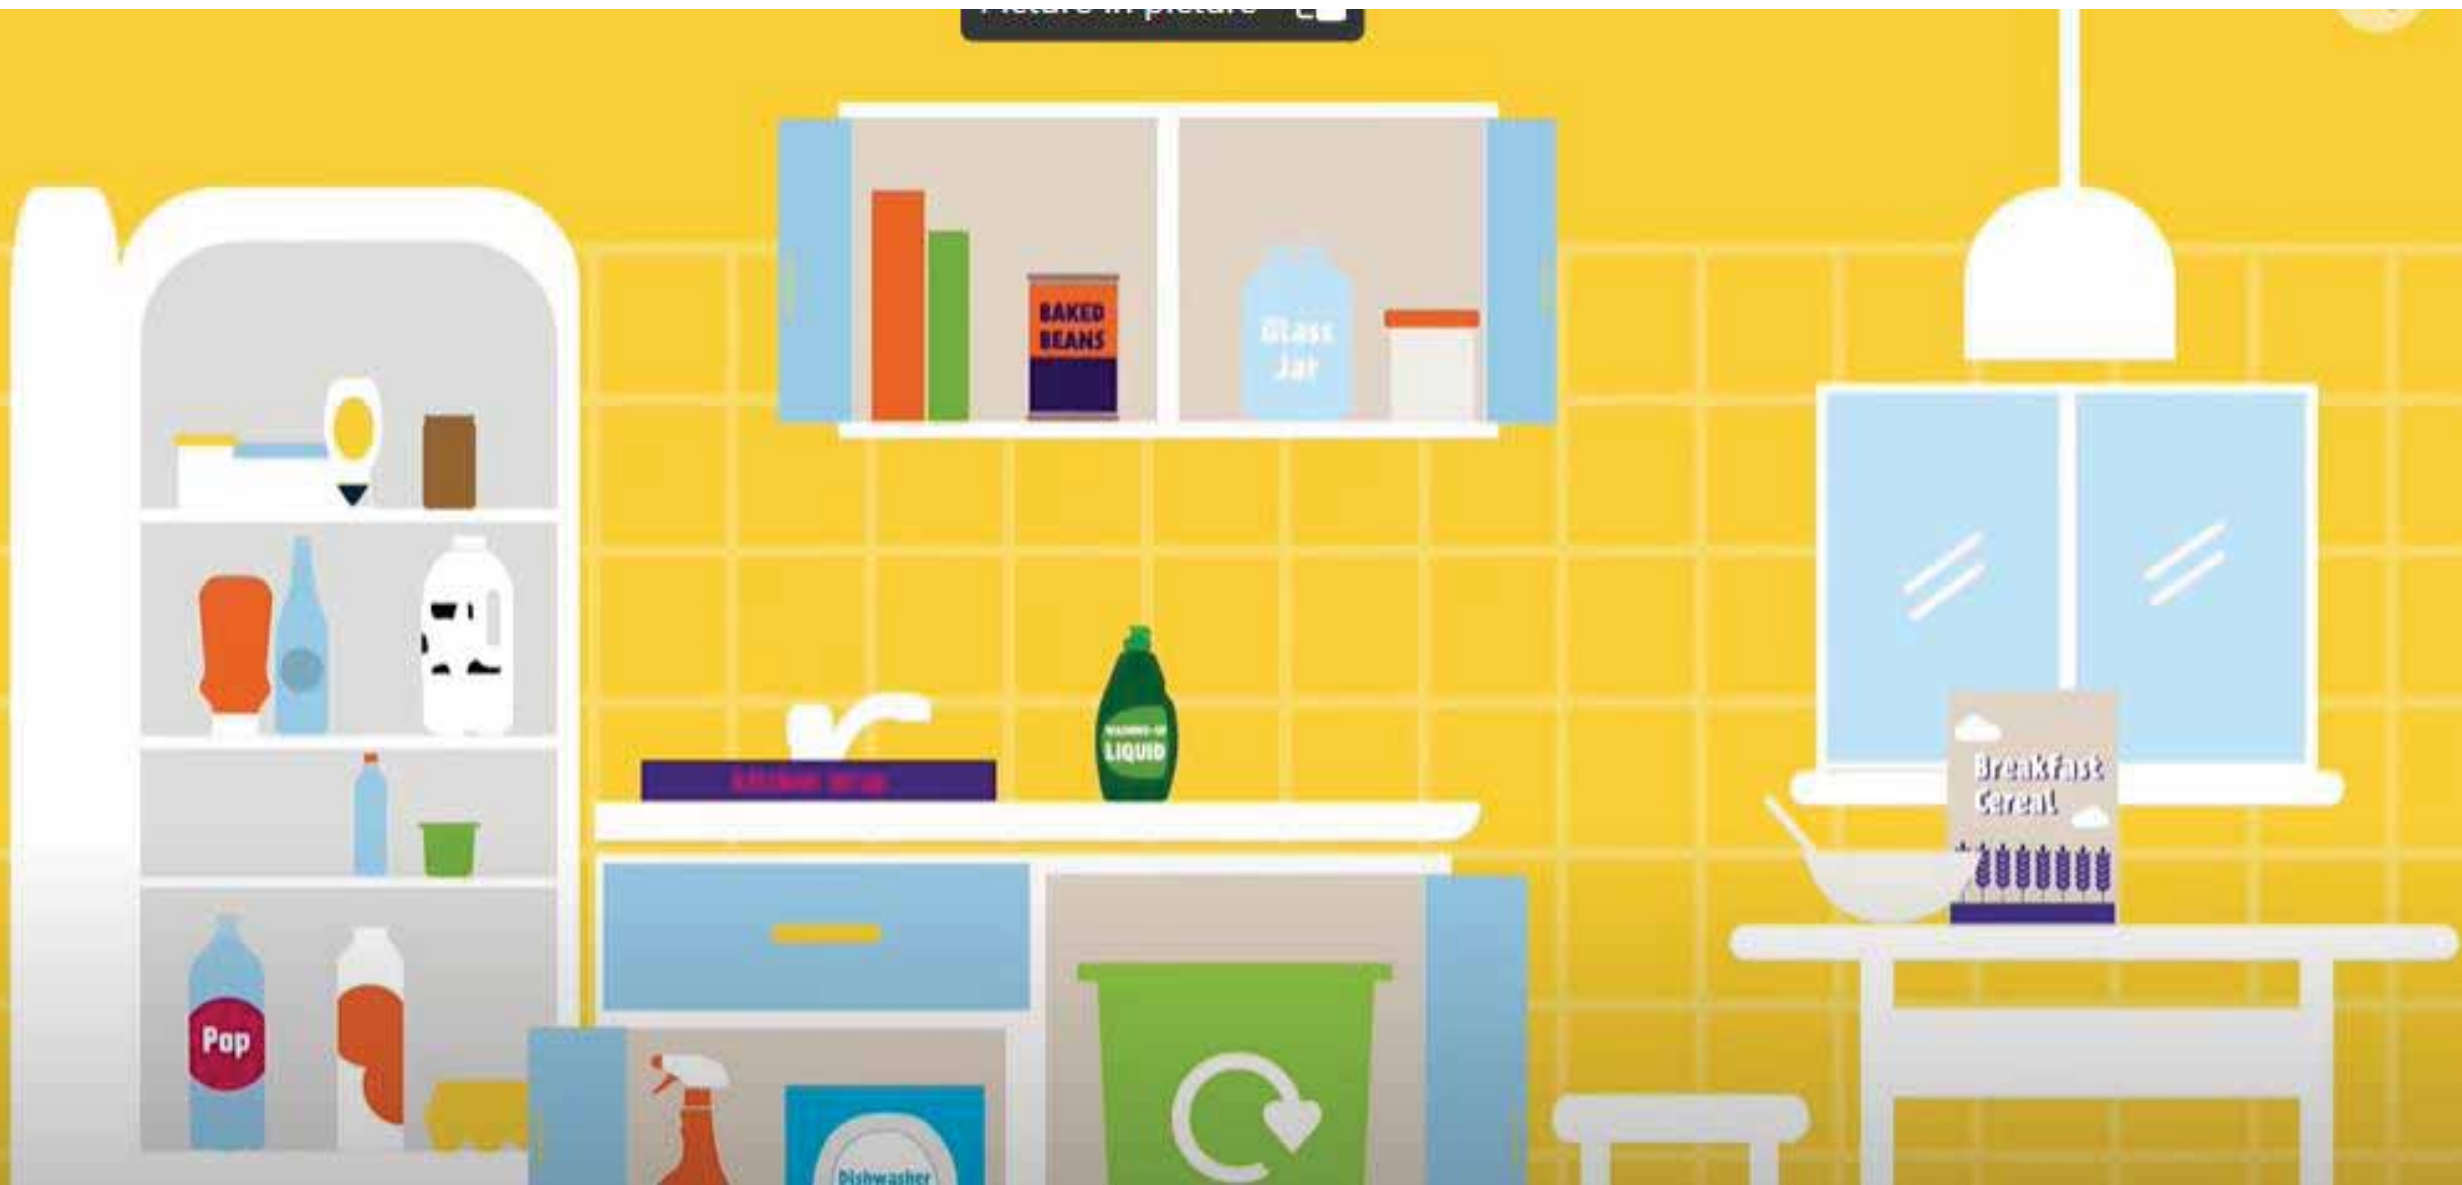

Can drinks, Fizzy drinks bottle, Newspapers and magazines, Envelopes, Leaflets

Empty tissue boxes, Deodorant cans, Magazines, Old school books and Clothes

Cereal boxes, Bottles, Cans, Condiment bottles, Cleaning bottles, Kitchen paper tubes, Food scraps

Everything you recycle, no matter how small, makes a **BIG** difference

good to know

Plastic bottles can be recycled into many new items including new school uniform

AASSG's new blazers have saved hundreds of bottles ending up in our oceans, Alhumdulillah.

Plastics that are not recycled, eventually break down into tiny particles that stay in the soil and float in water.

These **MICROPLASTICS** are harmful to humans and animals due to **BIOACCUMULATION**.

AASSG blazers have helped to reduce this

As a school, we can do MORE!

**As Muslims, it is our FAITH & our
DUTY to protect our planet**
