

AASSG KS3 Enrichment Week 2024

AASSG Enrichment Week is an exciting initiative planned to enable our pupils to experience a wide range of fun activities outside the classroom, develop key skills such as team building and confidence, SMSC (Spiritual, Moral, Social & Cultural) & cross-curricular links. The theme this year is **Empowerment, IA**.

The activities this year have been carefully planned by the RSE/PSHE Department to offer each Key Stage a meaningful and fun experience. The week aims to provide students with opportunities to challenge themselves, build on friendships, and explore diverse subjects and experiences. **N.B. All four days are part of the school academic year and therefore attendance is mandatory. Registration will be taken and pupils absent without prior permission will be fined as per school attendance policy.**
