# OFSTED 2019 REPORT OVERVIEW

**Al-Ashraf Secondary School for Girls met all the independent school standards and we were judged to have performed well in all key areas:**

**OVERALL EFFECTIVENESS: GOOD**

**QUALITY OF EDUCATION: GOOD**

**BEHAVIOUR AND ATTITUDES: GOOD**

**PERSONAL DEVELOPMENT: GOOD**

**LEADERSHIP AND MANAGEMENT: GOOD**

Alhumdulillah, first & foremost we thank Allah, Most Merciful for our successful inspection.

We also acknowledge the dedication, effort, cooperation & duaas of our staff, governors, parents, pupils and the community. Jazaakumullah Khaira. We remain indebted to the community for supporting us over the past 25 years. May Allah SWT reward everyone in both the worlds. Aameen.

We also appeal to the community to send their daughters to a successful school where alongside the national curriculum, pupils have access to an in-depth Islamic curriculum taught with a strong focus on nurturing the hearts & minds and morals & manners of our pupils. We are hopeful this will go a long way in safeguarding their Imaan and Islamic identity. Insha-Allah.

Committed volunteers are also required to join the governing body. If you have the commitment to support a local project, the skills to contribute to the school's road map and the vision to nurture our future generations, then contact the Chair of Governors, Mr S.
