

SAY NO:

Show respect, not neglect.

They don't deserve the disrespect.

Show them sympathy, not misery.

Show them care, not a nightmare.

Be an upstander, not a bystander.

Say no to bullying, be a pure being.

Be kind, don't be blind.

Don't let your lies fill them with cries.

Don't mess with their self-esteem.

Just to release some heated steam.

SHOW THEM RESPECT, NOT NEGLECT.
